STEVEN AND TERRI FERRAND 640 Willow Cr.

654-4531

Steve is originally from Las Vegas, Nevada, and Terri is from San Diego, California. We met at Northern Arizona University, Flagstaff, Arizona in 1968, and were married in December.

We have three lovely daughters and all of them are extremely busy. Between the three of them, they participate in band, singing, ballet, gymnastics, and skiing. As a family, we enjoy camping and Steve does alot of hunting.

We joined the church in 1976, and were later sealed in the Washington D.C. Temple.

Steve has been involved in the estimating of structural and plate steel for a number of years, and we moved to Tennessee so Steve could over-see a job that he bid on the Tullahoma Jet Engine Test Facility, as the Arnold Air Force Base.

The Tullahoma project was completed in three years, and we had the opportunity of moving anywhere we wanted too.

So, after touring the United States during the summer of 1979, we decided on Heber City and moved here in August.

Since that time, we have grown to love this Community and the mountains around it. In Sept. of 1982, we were able to start a new business, T & K Steel, and have been fortunate enough to watch it grow.
